For the second year in succession our season has been extended well beyond the normal finishing date.

Last season was a pleasurable occasion at Wembley, this season involves the play-offs and are matches I could well do without.

The play-offs are a new situation for every team involved and although I was firmly against the concept originally you can bet I've changed my views now.

We've been handed a

Phil Neal Notebook

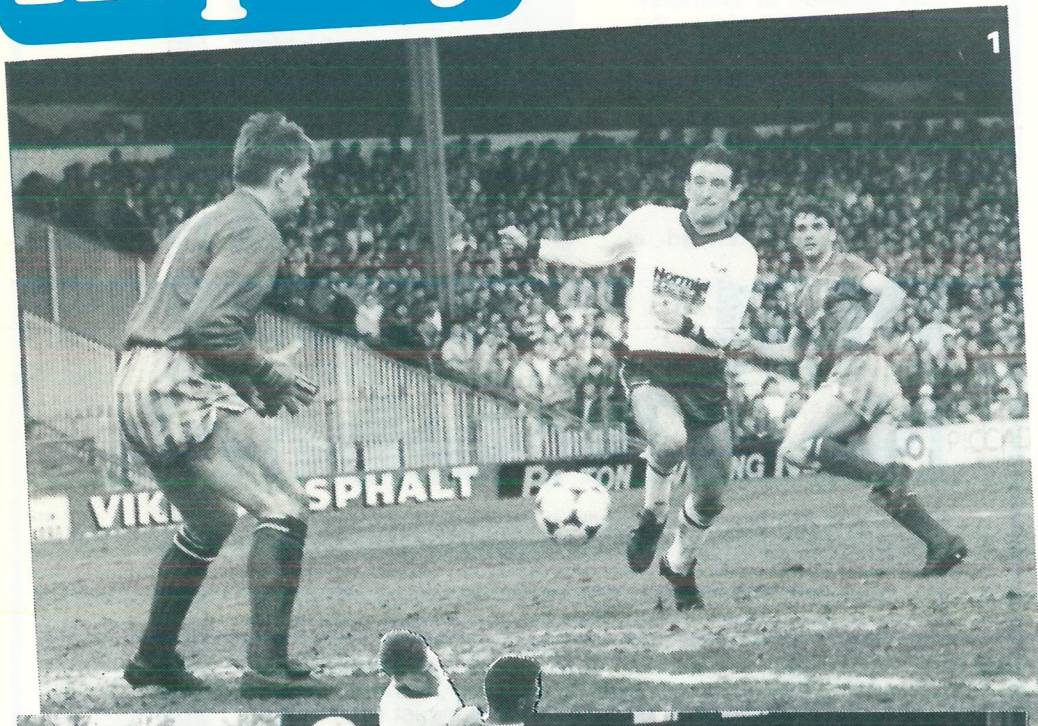

lifeline and our fate is very much in our own hands over the next eight days. Nothing more can be asked from you, you've done it all this season and we'll be pulling our guts out to give you what you deserve. For starters that has to be ensuring Third Division football at Burnden Park next season. Just keep that support going for a few more days. I can honestly say that it's been a baptism of fire as far as my managerial career is concerned and in stark contrast to my playing career where I was fortunate enough to taste everything sweet there is to taste in football. Having said that, I've never forgotten the struggle to achieve success in the early days at Northampton. Talking of things sweet, I was delighted for our youngsters who gave another tremendous performance at Blackburn to carry off the L.F.A. Youth Cup after a nail-biting penalty shoot-out. It's the first time this trophy has finished up at Burnden Park since 1978 and the youngsters never-say-die attitude again worked for them as they came from behind to win. Well done to them and well done to you also because you outnumbered the Blackburn fans at Ewood Park and played a significant part in the victory.

ALDERSHOT'S LONG WAIT

by TONY PULLEIN

It's now eleven years since Aldershot enjoyed Third Division status so we can expect to see them making a determined bid to grab their chance to get back again. Confidence is high after one of the Shots' most successful seasons in many a year.

They had a few shaky moments before ensuring sixth position in the Fourth Division and a place in the play-offs, even having to bite their nails at the end, waiting for other results, after losing their final game at home to Cardiff.

The Shots' owed much to a run of good away results towards the end of the season. In all they won seven away games in the League — at Preston (2-1), Orient (3-1), Cambridge (3-0), Burnley (1-0), Lincoln (2-0), Crewe (3-1) and Colchester (1-0).

They drew a Peterborough (1-1), Torquay (2-2), Tranmere (1-1), Hartlepool (1-1) and Stockport (0-0).

They were beaten at Halifax (0-1), Swansea (1-2), Northampton (2-4), Wrexham (0-3), Hereford (0-1), Cardiff (0-2), Scunthorpe (0-2), Wolves (0-3), Rochdale (1-3) and Southend (0-2).

Aldershot had the benefit of home draws in every round of the F.A. Cup, defeating Torquay (1-0) and Colchester (3-2) before achieving a fine 3-0 win over First Division Oxford. They were held at home to 1-1 by Second Division Barnsley and lost the replay 0-3.

They took an early exit from the Littlewoods Cup, going 1-5 on aggregate to Fulham in the first round.

Aldershot very nearly achieved the distinction of becoming the first Fourth Division club ever to play at Wembley when they progressed to the Southern Final of the Freight-Rover Trophy. But they were beaten 1-4 on aggregate by Bristol City who go on to meet Mansfield in the National Final at Wembley next Sunday.

Aldershot are one of the youngest of all the Football League clubs, having been founded in 1927. They earned their place in the Third Division (South) of the Football League five years later.

Their first season in the League was one of their best as they enjoyed a run to the fifth round of the F.A. Cup, something they have only once since equalled, in 1978/79.

Back Row (left to right): John Anderson (Trainer), Andy King, Mike Ring, Martin Foyle (now Oxford United), Tony Lange, Darren Anderson, Colin Smith, Tommy Langley, Len Walker (Manager), Ian Gillard (Coach).

Front Row: Barry Blankley, Glen Burvill, Paul Shrubbs, Ian McDonald, Colin Fielder, Paul Friar, Giorgio Mazzon.

Insets: Bobby Barnes, David Coles, Gary Johnson.

The Shots rarely made much impression in the League, though, and it wasn't until 1962 that they managed to finish as high as tenth in the Third Division. They were forced to apply for re-election in 1937 and 1949 and, when the Fourth Division was formed in 1958, the Shots — having finished in the lower half of the Southern Section the previous season — became a founder member.

Worse was to follow. A year later they had to apply for re-election again.

For several years after that Aldershot normally just managed to finish in the top half of the table and their followers became resigned to the fact that the club had become an average Fourth Division side.

It wasn't until 1972/73 that they showed signs of revival. Then, with most of their rivals having completed their fixtures, Aldershot were fifth in the table, one point behind Newport but with a superior goal-average. They needed to draw their last game at Stockport to win promotion. A 1-1 draw did the trick.

In 1975 they missed relegation only on goal-average but their fate was not long delayed. They finished in the bottom four a year later and have since re-settled in Division Four.

THE ALDERSHOT SQUAD

LEN WALKER (Manager) It's now almost 23 years since Len Walker first joined Aldershot and, though there have since been a couple of breaks, he is now in command of the club where he once set a new record for appearances. After early spells with Spennymoor United and Middlesbrough, Len made his League debut for Newcastle in 1963/64 but it was after transferring to Aldershot in 1964 that he made real headway. An uncompromising defender, he held his place in the side for 12 years, setting a new high of 450 League appearances. This was later broke by Murray Brodie. Darlington signed him in 1976 and two years later, he took over as manager. When he left Feethams in June 1979, he returned to Aldershot as assistant-manager. When Tom McAnearney left in 1981, he was appointed manager. A couple of years ago, when the club was taken over, the new owners brought in their own manager but the transaction was rescinded within weeks and Mr Walker took on where he had left off. This season he is hoping he can lead the Shots to promotion.

TONY LANGE (Goalkeeper). Tony served his apprenticeship with Charlton and made his first League appearances for them in 1983/84. He initially joined Aldershot on loan last season and the transfer was completed in the summer.

GIORGIO MAZZON (Defender/Midfield) Giorgio was playing for Hertford when Spurs spotted him. He made his First Division debut for Tottenham during 1980/81 but he didn't get opportunities to play at that level. The move to Aldershot in 1983 enabled him to win a regular place in League soccer.

STEVE WIGNALL (Defender) Steve, who was signed from Brentford earlier this season, is one of the most experienced central defenders in the business. He was with Liverpool as a youngster but got his League chance with Doncaster in 1972. He made more than 100 League appearances for them before moving to Colchester in 1977. He was a fixture in their side for seven years until transferring to Brentford in 1984.

COLIN SMITH (Defender). Colin was a junior player with Nottingham Forest but did not get into their first-team. A transfer to Norwich enabled him to make his League debut in 1982/83 but at the end of that season he moved on to Cardiff. Colin joined Aldershot two seasons ago.

PAUL FRIAR (Defender). Paul began his career with Leicester City, graduating to first-team duty in 1980/81. Rotherham signed him in 1983 but he moved on to Charlton in 1984 and Aldershot signed him last summer.

GLEN BURVILL (Midfield). Glen was a reserve player with West Ham but he soon established himself in League football after joining Aldershot in 1983. Some 18 months later he was signed by Reading but, after a loan spell at Fulham last season, he returned to Aldershot in the summer.

ANDY KING (Midfield). Andy is a former England under-21 international who played his early football with Luton. Everton signed him in 1976 and he spent four seasons in their First Division side before Q.P.R. invested £425,000 in his transfer in 1980. Another big-money transfer took him to W.B.A. in 1981 but a few months later he returned to Everton. In 1984 he went to Holland to play for Cambuur and the following year he linked up with Wolves. In 1986 he went back to Luton but played only a few senior games before signing for Aldershot last summer.

DARREN ANDERSON (Midfield). Darren started his professional career with Coventry without making the first-team. Charlton signed him and he got his chance in their League eleven in 1983/84. Last season he went on loan to Crewe and he joined Aldershot in the close-season.

BOBBY BARNES (Forward). Bobby played more than 50 League games for West Ham and, it was following a loan spell at Scunthorpe, that he joined Aldershot last season.

MIKE RING (Forward). Mike began his League career with Brighton in 1981/82 and in 1983 he was transferred to Scottish club Morton. Next came a move to Ireland, and a spell with Ballymena United, before joining Hull City in 1984. Aldershot signed him last summer.

IAN McDONALD (Forward). Ian played League football with both Barrow and Workington before they lost their League status. Liverpool invested £35,000 in his transfer in 1974 but he didn't get many opportunities at Anfield. Following a loan period with Colchester, he was signed by Mansfield in 1975 and two years later he was transferred to York. Aldershot signed him in 1981.

TOMMY LANGLEY (Forward). Tommy won England under-21 honours in his Chelsea days and he was on two occasions top scorer for the London club. Q.P.R. signed him for £415,000 in 1980 and he was their top scorer in his first campaign, even though he left before the end to join Crystal Palace. He later had short spells with AEK Athens, Coventry (loan) and Wolves before initially joining Aldershot on loan in 1985. He later went to Hong Kong and was fully transferred to Aldershot this season.

GARY JOHNSON (Forward). Gary has only recently returned to the side following a long lay-off through injury. Last season he was top scorer with 15 goals. He began his League career with Chelsea in 1979 but moved on to Brentford in 1980. After spending two seasons in the Bees' senior side, he played abroad for three years before signing for Aldershot in 1985.

PHYSIO AND SPORTS INJURIES

Wanderers' physiotherapist Peter Nightingale is holding regular surgeries at Burnden Park for the treatment of sports injuries.

The surgeries are between 6.00 p.m. and 8.00 p.m. on Mondays and Wednesdays and no appointments are necessary. A charge of £5.00 per visit will be made with usual discounts for Lifeline members.

Daytime treatment is also available although this is strictly by appointment by telephoning Peter on 0204 389200.

CAME'S CENTURY

Wanderers' popular centre half, Mark Came, was due to make his 100th League appearance in a Bolton shirt in the first leg at Aldershot.

Mark joined the Wanderers from Winsford United in March 1984 although he didn't make his full League debut until November 1984 when he played against Lincoln City. This season has been his most consistent, having missed only four League games, although he has yet to score his customary goal for the season, having been credited with one in each of the last two seasons.

SUNDAY BEST

Today sees the first Sunday League game at Burnden since January 1974. The Wanderers have in fact never lost a Sunday game and attendances were higher than average.

In January 1974 Bolton defeated First Division Stoke City 3-2 at Burnden in the FA Cup before 39,138, the best crowd of the season. Two weeks later Bolton came from behind to beat bogey side Bristol City 2-1 at Burnden before a League best for the season of 23,315 again on a Sunday.

The following month the Wanderers came from two goals down to draw 2-2 at Swindon Town on a Sunday.

In April 1981 the Wanderers came from behind to draw 2-2 at Orient, the point assured Second Division safety, although the crowd of 3,824 was the lowest that Bolton played in front of that season.

COLLECTOR'S CORNER

Today we reproduce the cover of the programme from perhaps Bolton's most famous game, which gave the club a permanent place in football history, the 1923 FA Cup Final.

It was the first ever FA Cup Final to be played at Wembley and David Jack made sure of his own immortality with the first goal scored in a final at Wembley along with a white police horse called Billie who cleared the playing area to allow the game to start.

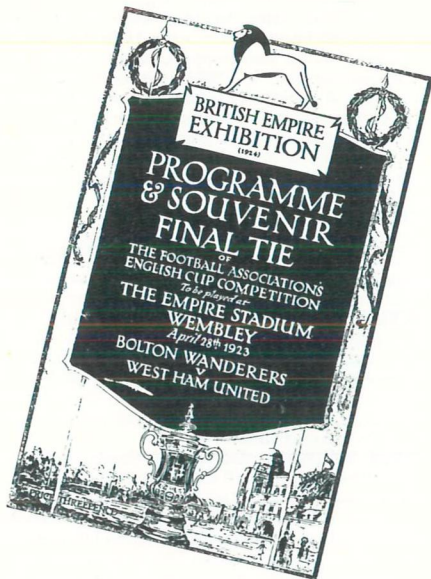

The FA saw no reason to make the game all ticket, the previous year's final, at Stamford Bridge, between Huddersfield Town and Preston North End had attracted only 53,000. There was already over 60,000 in the Stadium when one of the main gates was broken down and thousands of people, with and without tickets, swarmed into Wembley.

There was an estimated 200,000 crowd to see West Ham kick-off and within three minutes David Jack had maintained his record of having scored in every round by giving the Wanderers the lead.

Neither side left the field at half-time and within eight minutes of the restart Bolton went two up. J. R. Smith was the scorer although many in the ground didn't realise that a goal had been scored as the ball hit a wall of spectators behind the net and bounced back into play.

Police helped Bolton to the Royal Box where Joe Smith received the trophy from the King.

The programme from the game, although not that rare, can fetch around £100 if in good condition.

Flashback

We welcome Aldershot to Burnden Park this afternoon for only the second time. The last occasion was for a Football League Cup second round tie in September 1965.

The Shots were then in the Fourth Division whilst the Wanderers were in fifth place in the Second Division although they had taken only one point from their last three games and scored only once.

Wyn Davies returned to the Wanderers attack after injury and the two sides lined up as follows:

Bolton: Hopkinson, Hartle, Farri-
mond, Rimmer, Napier, Hatton,
Lee, Hill, Davies, Bromley, Taylor.

Aldershot: Jones, Davies, Renwick,
Norman, Gunter, Knights, Burton,
Priscott, Howarth, Kearns, Maloy.

A crowd of 8,320 attended on a wet evening which saw no giant killing from the visitors. Francis Lee fired the Wanderers in front in the 31st minute when his low hard shot skidded into the net without 'keeper Dave Jones seeing it.

Five minutes later Lee was on the mark again. This time he drilled home a powerful shot from a free kick.

Peter Kearns came closest to scoring for Aldershot when he shot narrowly wide from a good position.

The final goal of the evening came 10 minutes from time when Wyn Davies swept in a Gordon Taylor cross although Jones did well to keep out further efforts from Fred Hill and Dave Hatton.

15 YEARS AGO. 8th May 1972. The Wanderers youth team went down 3-2 and 5-3 on aggregate in the second leg of the Lancs Youth cup final before a 3,266 crowd at Burnden. Sam Allardyce and Neil Whatmore scored for the Wanderers whilst Manchester United's winner came in the last minute from Sammy McLroy.

10th May 1972. Bolton completed their League programme with a 3-0 win at already relegated Bradford City. Ralph Wright, Stuart Lee with his first senior goal and Don McAllister were on the Wanderers score-sheet.

17th May 1972. Charlie Wright was awarded player of the year and was presented with his trophy by Bill Shankly.

10 YEARS AGO. 14th May 1977. Bolton's hopes of promotion were shattered when they went down 1-0 to champions Wolves at Burnden before 35,603. The winning goal came in the 19th minute from Kenny Hibbitt and although Bolton threw everything into attack with Neil Whatmore hitting the crossbar it was not to be their afternoon.

17th May 1977. The Wanderers ended the season with a 2-2 draw at Bristol Rovers. Referee, John Yates in his final League match, sent off defender Paul Jones for dissent. Neil Whatmore put Bolton in front in the 30th minute but Rovers scored two in two minutes just before half-time. Whatmore equalised with his 31st goal of the season in the 80th minute.

5 YEARS AGO. 8th May 1982. Bolton gave their Second Division survival chances a boost when they defeated Sheffield Wednesday 3-1 at Burnden. Terry Curran gave Wednesday the lead in only the fifth minute but goals from Jeff Chandler, Alan Gowling and Tony Henry shattered Wednesday's promotion hopes.

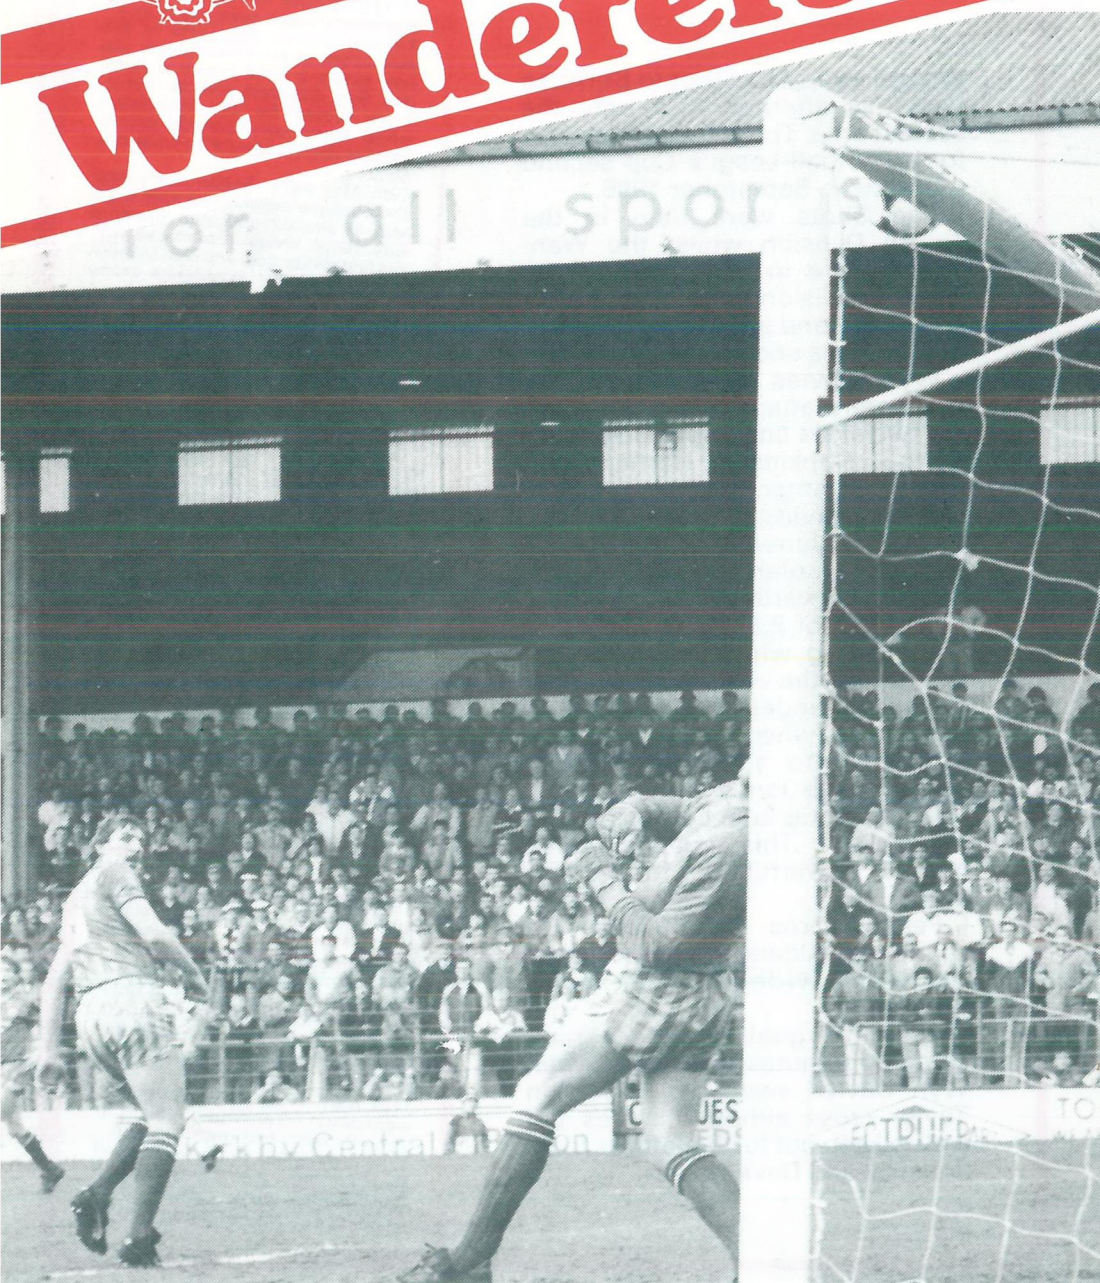

11th May 1982. The Wanderers went down 1-0 at Wigan Athletic in John Brown's testimonial game.

17th May 1982. Bolton's Second Division place was assured when Cardiff City went down 3-2 at home to champions Luton Town.

COMMUNITY PLANS

As the season comes to an end the Bolton Wanderers Community Programme Scheme would like to thank both the club and the community of Bolton in what was the first of hopefully many seasons together.

Though the close season is upon us, the community scheme will be running a number of events through the summer including a soccer summer coaching scheme, a weekly ladies social afternoon, a regular O.A.P.'s club, and soccer sessions for the unemployed.

For further information contact Kevin Jardine on Bolton 399192.

Reserve Report

30th April 1987

Bolton Wanderers Reserves 2 Wigan Athletic Reserves 2

The Wanderers and near neighbours Wigan fought out a 2-2 draw for the second time this season in the Central League. Twice Bolton came from behind to equalise and indeed could have snatched the points late in the game.

Wigan opened well with Kevin Mailey saving from Andy Wilson. In the 23rd minute Wigan took the lead when Barry Smith headed home an Alan Whitehead cross.

Eight minutes later Bolton equalised with a goal that was created from nothing. A quickly taken throw in by Paul Allen found debutant trialist Ian Hannah who turned and outpaced the Wigan defence and drilled his shot low into the corner of the net.

A defensive error restored Wigan's lead in the 63rd minute, Kevin Mailey failing to clear his lines, allowing Andy Wilson to shoot into an empty net.

The Wanderers again fought back and within seven minutes were level. Paul Allen was held off the ball by Jimmy Mitchell and the referee awarded a penalty which Chris Banks converted.

Both Ian Hannah and Derek Booth had good chances to sew up the points for the Wanderers late in the game but the Wigan defence held out for the point. Team: Mailey, Spooner, Clarke, Banks, Rushmore, Winstanley, Booth, Hannah, Matthews, Callaghan, Allen. Subs: Griffin, Mullineux.

6th May 1987

Bolton Wanderers Reserves 1 West Bromwich Albion Reserves 2

Failure to convert chances into goals again cost the reserves against high

flying West Brom at Burnden. In what was a quiet first half Albion scored from a Mark Jones penalty awarded after George Oghani had been adjudged to have fouled Cory Johnson.

Although the Wanderers stepped up their game early in the second half it was Albion who found the net in the 59th minute when Sean Hayward rifled home a left wing cross.

Almost immediately the Wanderers struck back. Ian Stevens pipped the Albion defence, controlled the ball and volleyed home to reduce the arrears.

George Oghani was pushed up front from his left back position and it was he who came closest to equalising for the Wanderers late in the game.

There was a welcome back for Peter Bell who played his first game since injury back in October although he is to have another operation to solve his knee problem in the summer.

Team: Mailey, Spooner, Oghani, Bell, Rushmore, Clarke, Stevens, Hannah, Matthews, Allen, O'Brien. Subs: Mullineux for Hannah, Senior for Bell.
